

CEMETERY LENDING LIBRARY

Many Ohio cemetery publications may be borrowed through the Ohio Genealogical Society Lending Library. The patron must be a member of OGS (\$35.00). The fee for the lending library is \$5.00 for a maximum of two titles. Add \$6.00 shipping if the books cannot be picked up. The order should include the Title, Call Number, and Barcode of the book. Please utilize the online library catalog. A search for the subject heading "cemeteries Ohio" yields nearly 1000 Ohio cemeteries titles in the OGS Library. The lending library includes just the duplicates that may be borrowed. An order form is also available in the lending library section under the Library tab of the OGS web site. Donations of cemetery titles for the OGS Lending Library are always welcomed. This is a basic list of those duplicate titles we found in the lending library.
